As a volunteer with The Hive we will need to do some checks about you.

This check is called a DBS check – This means that we will check to see if you have been in trouble with the police or have any criminal convictions or cautions.

If you have been in trouble in the past it does not mean that you can not volunteer with us. We will look at what the police say then decide if you can volunteer.

Do you have any convictions, cautions or warnings ?

Yes
