

TOGETHER4BRISTOL PRAYER UPDATE: CHRISTMAS 2019

Hi everyone

Happy Christmas to you all! Praise God that He came to reconcile all things to Himself (Colossians 1: 20). Here are a few examples of the Christian community **working together** across the Bristol region in the last few months, with **Praise** for what has happened recently and **Prayer** for 2020!

Please pass these on to all your contacts to encourage them and for prayer!

PRAISE POINTS

We thank God for:

1. The [Feeding Bristol](#) Appeal, which raised £125,000 from 55 businesses. Over 600 volunteers provided over 50,000 meals over the summer holidays to feed about 5,000 children in the city on free school meals, vulnerable to food insecurity during holidays.
2. The Keyboard 2020 networker, Carmen Carrol, who started recently, to connect across over 40 black-led churches in the region, to help them be stronger together and to engage more with the rest of the Christian community, and to help everyone collaborate together on issues of racial justice. For an excellent gathering recently, with Deputy Mayor Asher Craig, to explore these issues. To find out more contact keyboardnetworker@gmail.com
3. The Bristol Housing Festival's progress with ZEDpods, Launchpad and other projects. For the Festival, in October 2019, with about 2000 visitors and 15 events to help re-imagine affordable housing solutions for the city.
4. Progress for 7 Offers from the Christian community which have been made to the City Office. For example, Transforming Lives for Good (TLG) is now being run by 18 churches providing mentors in their local schools, to help children who are in danger of exclusion.
5. The first Christians Against Poverty (CAP) Centre in South Bristol has opened, with Rachel Goodchild making good progress.
- 6 Various recent conferences by the spheres, including the Kingdom Creatives' (Arts sphere) "[Press Red](#)" conference about violence and abuse against women worldwide.
7. The Gather Collective (a group from the 139 "unity for mission movements" similar to Together4Bristol) transforming towns and cities across the UK, which came to Bristol in November, to find out about our work across the spheres, especially with Christian Action Bristol (the Politics and Social Action sphere) and our engagement with the Mayor, Council and One City Office.
8. The [Burn 24/7](#) Bristol worship gatherings over 2019, which hosted the presence of God in various communities over the Autumn, including South Bristol, Central church and Lawrence Weston. To find out more contact Joseph Davies: jdavies@theburn247.com
9. A plaque commemorating Bristol as a "City of Hope", which has been placed near the City of Sanctuary plaque in City Hall. To find out how to get involved (eg with a banner outside your church) see [here](#)
10. The bi-monthly Healing Pool at Hope Chapel (Health Sphere): networking and prayer for Christians with an interest in Healing of body, mind and spirit. healing.streams@outlook.com
