

**Do you want to make sure disabled people can come to know Jesus?**

**Could you be a 'Roofbreaker' with the charity Through the Roof?**

### **What is a Roofbreaker?**

- The name comes from the account in Luke's Gospel Chapter 5 where the four friends bring the paralysed man to Jesus, breaking through the roof.
- They wanted to remove the barriers preventing their disabled friend from coming to Jesus: and as a Roofbreaker, you can do that too.
- You don't need to be an expert in disability. You just need to be available to connect with disabled people, enabling full belonging in your church community.
- Roofbreakers celebrate and encourage the involvement of disabled people in the life of the church. Just like in the Luke 5 story, when the disabled man met Jesus, everyone benefitted and God was glorified.

### **What will I do?**

- The main job is to listen to the challenges disabled people tell you they face.
- The next step is to work with disabled people to find ways around any barriers to church or Christian life.
- Support and free resources are available from Through the Roof.
- You can also connect with other Roofbreakers to share information and encourage each other.

### **How do I get involved?**
