**Changing Lives Charity (CLC)** based in Clevedon North Somerset (CC No 1161892)

**Chief Executive Officer (CEO).** 60% role (negotiable)

CLC was formed in 2015 at the initiative of the Christian community in **Clevedon** to ensure the continuation of ministry to those suffering the impact of trauma which had led to addiction and/or homelessness.

We deliver that ministry through an 11 bed house and a wider volunteering programme in our retail shops and warehouse (selling second hand furniture) in the town.

Since 2023 an interim CEO has been in place (who is working on a 60% FTE basis) and we are now looking to appoint a permanent replacement on similar terms.

Experience of leading an organisation of similar size – ideally in the 3<sup>rd</sup> sector (15 staff, £700k pa turnover) is more important than a formal qualification.

Salary (FTE) is likely to be in the range £45,000 - £47,500

A full Job Description can be provided (or is attached?).

The closing date for applications (with a CV and covering letter) is 8<sup>th</sup> July.
