The Priority Community Network is a parish-based holistic project that looks to deploy substantial resource into churches in the areas of greatest disadvantage in the Diocese of Bristol. The programme aims to enable and cultivate sustainable, good growth across areas of multiple deprivation so that we see numerical growth of people and finances, deeper discipleship, and social transformation in these communities.

This is a new role to enable the expansion of the PREPARED urban leadership training programme across the Diocese of Bristol as part of the Priority Communities Network (PCN) commitment to lay leadership training.
